

Southern Africa – a land for all seasons

Thinking of the year ahead and how to fill it? Beyond the World Cup Football, here's what we think:

- ★ **City Combo:** First stop Cape Town for its great diversity, from its signature Table Mountain and glorious beaches to chic restaurants, bars and boutiques. Before departing, ensure you swim with the penguins, observe the dolphins and whales, and dive with the sharks! Last stop Kruger Park for an exhilarating Big 5 safari in a luxury bush lodge.
- ★ **Beach/Bush:** Experience barefoot luxury on an intimate island in Mozambique, followed by an exhilarating Big 5 safari under the African stars.
- ★ **Garden Route Express:** Begin your journey in the 'Mother City' under the foothills of Table Mountain. Feast on gourmet delights in the famous winelands. Wind your way through the coastal pleasures of the Garden Route ending with a non-malarial Big 5 safari in the Eastern Cape.
- ★ **Island Hopping:** Escape to a tropical island hideaway and float in the turquoise waters of the Indian Ocean in Mauritius or Seychelles. Pure unadulterated bliss.
