

The winning school entry in the 'Spirit of Belgravia' photography competition by Kate Sharpe of Francis Holland School

*for those who love*

# BELGRAVIA

Established in 1972 we have 40 years' experience in matters affecting Belgravia and its residents. Local decisions have to be made every day from how new buildings should look to which way traffic should flow.

We know that residents care deeply about the neighbourhood and their way of life and we aim to support them through our initiatives and activities. Join us and discover more about life in Belgravia.
