

POND CLUB ▲

Feltonfleet pupils cleared algae and debris from the pond to prevent deoxygenation of the water which can be detrimental for pond life and damage the eco-system. They are turning the school pond area into an outdoor classroom. *Feltonfleet Preparatory School, Byfleet Road, Cobham, Surrey KT11 1DR* feltonfleet.co.uk

BUILDING SUSTAINABILITY ▲

Class 2 at Carrdus made 'ecobricks' which are a sustainable way to re-use non-biodegradable plastic waste and are used to make many things from furniture to walls and buildings. *Carrdus School, Overthorpe Hall, Banbury, Oxon OX17 2BS* carrdusschool.co.uk

LEARNING TO KEEP WARM ▲

Years 1, 2 and 3 visited Highfield & Brookham's very own woodchip biomass to learn how the school produces energy via a renewable source. The biomass has replaced 20 oil-fired burners, saving 140,000 litres of oil per year! *Highfield & Brookham Schools, Highfield Lane, Liphook, Hampshire GU30 7LQ* highfieldandbrookham.co.uk

PRECIOUS PLASTIC

Beechwood Park's Head of DT has acquired a Precious Plastic Shredding Machine. The recycled plastic is used in DT projects across the School. *Beechwood Park, Markyate, Hertfordshire AL3 8AW* beechwoodpark.com

CAT WALK ▶

The Junior School at Francis Holland took part in their own recycling fashion show. The girls designed outfits made out of recycled materials to highlight the importance of reducing, reusing, recycling our everyday waste. *Francis Holland School, Sloane Square, 39 Graham Terrace SW1W 8JF* fhs-sw1.org.uk

GREEN FINGERS ▼

First-class produce from the Farleigh School vegetable garden! Year 5 are harvesting lavender to make into eco-friendly scented lavender bags. *Farleigh School, Red Rice, Andover, Hampshire SP11 7PW* farleighschool.com

OPEN FOR BUSINESS ▲

Building on the work of the school's Eco Warriors as they pursue Green Flag Status, pupils from Year 7 and 8 at Claremont launched The Claremont Eco Store to sell environmentally-friendly products to parents and friends. *Claremont School, St Leonards On Sea, East Sussex TN37 7PW* claremontschool.co.uk

Eco Warriors

Anya Waddington discovers that prep school children are following Greta Thunberg's example and are shaping lessons in sustainability.

WALKING WITH BEARS ▼

The 'Bear Walking Club' at Notting Hill & Ealing High encourages girls to walk to and from school. *Notting Hill & Ealing High School GDST, 2 Cleveland Road, Ealing W13 8AX* nhebs.gdst.net

CENTENARY CAMPSITE ▲

Leavers worked on a legacy project that will benefit future generations of Brambletye pupils. The Centenary Campsite consists of a mess tent, pallet furniture to sit on around the campfire, a storage shed, and a composting loo dug by pupils and made entirely from recycled materials. *Brambletye School, East Grinstead, West Sussex RH19 3PD* brambletye.co.uk
