

MADE IN BELGRAVIA

SPONSORED BY: The Jumeirah Lowndes

WINNER: Poilâne

Located on Elizabeth Street, Poilâne bakery has been serving the Belgravia community for 24 years. Every loaf of bread is baked daily on the premises, and delicacies include croissants, brioches and sourdough.

One fan said: "During the pandemic, when uncertainty affected everyone, Poilâne implemented new approaches to continue serving the community safely. They launched a home delivery service, ensuring customers could still enjoy freshly baked bread and artisanal goods without leaving their homes. Poilâne's team handled many of these deliveries on foot, personally ensuring the bread reached residents safely and on time."

HIGHLY COMMENDED: Alexandra Llewellyn

Based on Kinnerton Street, Alexandra Llewellyn designs beautifully crafted games, including her famed backgammon sets. One reader said: "Her commitment to producing the highest quality designs and dedication to customer satisfaction is unwavering, and has inspired me to become a designer of such calibre myself."

FRIEND OF THE EARTH

SPONSORED BY: Francis Holland

WINNER: Belgravia Dental Care

Located on Eccleston Street, Belgravia Dental Care offers a range of general dentistry, such as routine check-ups and hygiene appointments, as well as complex and cosmetic dental care. The practice has an outstanding commitment to sustainability through innovative practices.

One reader told us: "Belgravia Dental Care has reduced plastic usage, has a paperless approach and has switched to sustainable brands and providers."

Another said: "The practice has reduced use of paper and all forms are online. Their cleaning company is also sustainable."

A third added: "Amazing attention to all the details for the environment."

HIGHLY COMMENDED: Grosvenor gardening team

Many readers praised the team's commitment to the environment. One said: "There is an increased use of varied wildflower meadows, which are thriving with a variety of plants and pollinators, supporting wildlife and biodiversity."

HIGHLY COMMENDED: Lylie

Based on Graham Terrace, Lylie has made sustainable jewellery since 2017. One reader said: "Through their use of recycled materials and lab-grown diamonds, Lylie exemplifies a future-forward approach, merging luxury with sustainable, ethical practices to meet tomorrow's challenges head-on."

HIGHLY COMMENDED: Angela Montebello – The Hari

Under the guidance of sustainability manager Angela Montebello, The Hari has published a Sustainability Action Plan, which holds the hotel accountable for achieving its environmental and economic sustainability goals.
