

**Elaine Halligan, Director of The Parent Practice**

Elaine is a parenting coach, speaker and author of '[My Child's Different](#)', and she believes in promoting positive parenting practices to create happier, harmonious homes.

She's not Wonder Woman or Super Nanny, not Mary Poppins or Nanny McPhee, she's just herself (and in essence, she's probably you), and she knows firsthand the skills it takes not just to survive the struggle, but to get to the other side and change the parenting story.

She niches in neuro diversity and working with separated families
