On Saturday the 24th of June,
We held the summer fête at FHS.
It was held to celebrate the end
of the year. Lots of families, girls
& staff also came to celebrate &
have lots of fun.

The playground had so much
colour that it burst my eyes.
There was a massive bouncy
castle, you had to run and

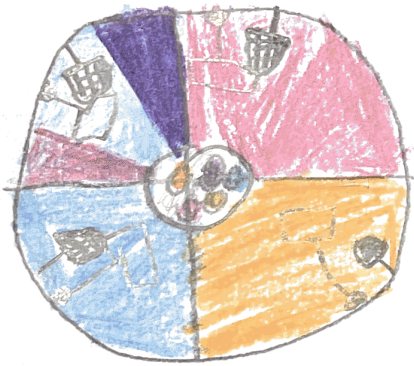

get all the balls from
the middle & whoever got
the most balls won. We also
watched the cats musical
which was amazing - it was on
macavity. Back in the playground
Miss Bloder and her band, Daisy &
the Daffodills were playing
some music. The food was very
delicious and wonderful.
The summer fête was a big
success!

The Hungry hipos

On Saturday 24th June the Summer Fête was held at FHS to celebrate end of year. I really enjoyed the Neon disco club and the candy floss. There was a enormous slide and you need to climb up a ladder and it was like you just fall of something. It was extremely fun. The neon club was amazing was peaces of popper that you through around.

In the playground there was a big trampoline were you need to try and get as many balls as possible into the net. There was a band with Miss Holder she sang lots of songs like mama mia and the name of the band was called Daisy and the Dazordils. The Fête was so fun. We already can't wait till next year! Thank you to all the Pearants who organised the day.

The delicious food

On Saturday 24th June the summer fete was held at FHS, to celebrate the end of the year. Lots of families came and even a few boys and seniors. It started at twelve, I had lots of fun. The playground was full of colour the theme was musical. The talented Tim Maulda sang lots of different songs to entertain all the families.

The favourite part of the summer fete was when we went to the Neon Disco club you could pick up lots of little pieces of tissue-paper from the floor and throw it on top of everybody's heads but it was best when you throw them behind people's heads so it was like a surprise attack.

The Slide

On Saturday 24th All Francis Holand school went to the summer fête. All the girls, Seniors, Stag and parents came to the festival. Everyone had lots of good and fun. There were slides to cupcakes to rides and lots more. The food was in - predictable! The wondergull summer fête was to celebrate the end of the year - even the seniors came too. At the fête there was a beautygull slide for children

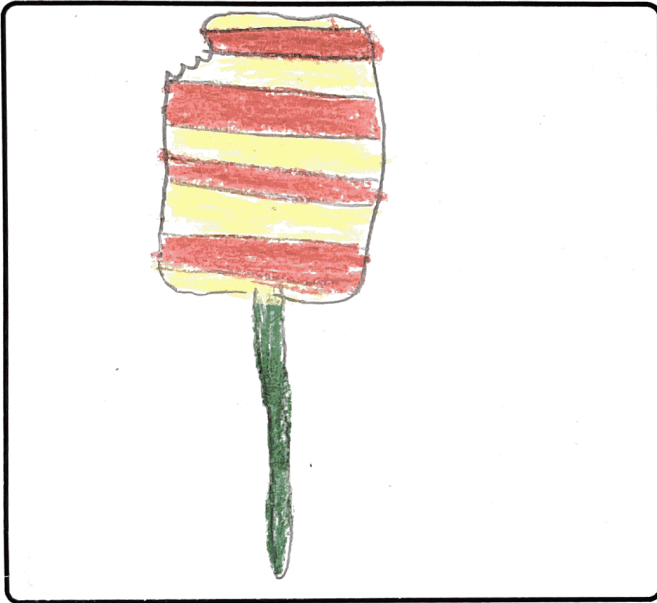

having fun. As the slide was in the gym, it was hard to. Some people didn't go to the wondergull slide. There was sticky, pluggy, hard, soft sweets. The music was great. There was a bar and a sweet shop. There were bewitching sticky cookies to huge blue candy-gloss. You could even make your tummy look bigger by stuffing it down your top!

On Saturday 24th June
the summer fair happened
in St. John's School.
There were girls, parents,
teachers mums and dads
were helping to set up
stalls. I was in the
green and blue play ground.
It was at 12 in the afternoon.

There was yummy blue soft
cotton candy and
wired cupcakes. The table
were bricked, called
with Miss Holder
Singing songs like
happy and Abba.
There was hungry
hippo and the Gim
slided.

a girl eating cotton candy

On Saturday 24th June the summer Fête was held to celebrate the end of the year. Lots of beautiful families came there was lots of delicious food and really fun games everyone enjoyed. There was a game called hungry hippos it was really tough & there was a rope attached to us and we need

to get some balls in a bucket. And talented miss holder sang mama mia, and happy. I loved it I also had cotton candy I loved it and everyone liked it there was also an inflatable slide and a bouncy castle, also a photo booth and the fabulous magic show was really long!
