ALL THE WAY AROUND THE WORLD

The aim of this sponsored event was to travel the distance around the Equator (a whopping 24,900 miles) as a **Durston House** Community. Children and their families walked, ran, scooted, cycled, skied, scooted rowed and even zip-wired. (Miles travelled in a car or a plane did not count!) All money raised goes to this year's school charities: the Ealing Foodbank and The Adamson Trust.
